Keeping families close™

'Tis the Season for Family

Many families find the holidays difficult being away from home and extended family while caring for a seriously ill child. Families staying at Ronald McDonald House Houston can share the wonder of the season in the best way - together.

'Tis the Season for Toy

What people remember about family and holidays are not the gifts—it is those magical moments when family and friends are gathered; sharing, laughing, and making memories of a lifetime.

'Tis the Season for Home

As a *home away from home* for families with seriously sick children, RMH Houston strives to be a community of care, compassion and hope. Help us bring the holidays *home* this season.

Memories & Magic

Community partners are invited to help us create magic in the House! Contact Colleen Dillahunty if interested in partnering and sponsoring one of the Family Fun nights.
