

Ronald McDonald House Houston offers a home away from home for families with seriously ill children being treated in the Texas Medical Center. Caring for a sick child is expensive, stressful, and at times, exhausting. If you are looking for a direct way to help RMH families, please consider sponsoring a meal at one of our four locations.

- **PREP** Select a group of people that you would like to have fun with as you plan a meal. At the moment the hospital locations are still closed to outside volunteers. Holcombe House will be allowing groups of 4-5 people to serve a catered meal.
- **COMBINE** funds and plan your menu. You may order a delicious meal from any licensed restaurant, caterer or grocery store. Food cooked at your home cannot be accepted.
- **MIX** in some fun! Ask about bringing or sending a pre-kitted craft along with your sponsored meal or host a socially distant activity on site! We also encourage fun themes to go with the meal, music and holiday décor!
- **WHISK** your group off to RMH Houston to set-up, prepare and serve lunch, dinner or brunch to families onsite. Our goal is to offer one meal every day!

With a dash of preparation and planning, you can create a successful and fulfilling volunteer experience that will serve families and children in need.
